

How do I earn Dragon Silver?

1, Visit the DDU app and get involved by purchasing our Drunken Dragon NFT's and then using them in the Idle Adventures mode! You can send your NFT adventurers out on quests that will bring back Dragon Silver as rewards which you can then use to purchase exclusive DD items in the store - Coming Soon

2, Get involved with the Community and help us create some awesome DD content that could potentially be used by the team! We have ongoing quests to complete that are kept up to date in the Discord channel! See below for more info!

3, Decentralised exchanges. Dragon Silver is listed on multiple Cardano exchanges such as Sundaeswap or Minswap etc so go there and purchase your Dragon Silver with ADA.

4, Get involved with the community once more by attending events such as the Tavern nights quizzes and other events that are announced in the Discord. Winning said events or placing high up on the leaderboard, dependant on the event will land you some cool Dragon Silver to play with!
